

Innovative Storage Solutions for Modern Offices

About Us

Rolex India Engineering: Pioneering Storage Solutions Since 1975

Established in 1975, Rolex India Engineering is a premier provider of innovative and efficient storage systems. We specialize in designing and manufacturing a wide range of products tailored to meet the needs of diverse industries. Our product portfolio includes Mobile Compactors, Staff & Industrial Lockers, Mobile Phone Lockers, Slotted Angle Racks, and Heavy-Duty Racks.

Our commitment to quality, durability, and customer satisfaction has earned us a reputation as a trusted partner for businesses across the nation. With over four decades of experience, we pride ourselves on our state-of-the-art manufacturing facilities, dedicated workforce, and unparalleled expertise in storage solutions.

At Rolex India Engineering, we strive to deliver seamless, space-saving, and secure storage solutions that empower businesses to optimize their operations and productivity. Choose Rolex India Engineering as your preferred partner and experience the excellence in storage solutions that has distinguished us for nearly half a century.

Mobile Compactor

Introducing Rolex India Engineering's Mobile Compactor - a space-efficient storage solution designed to declutter & optimize your workspace. Versatile, secure, and easy to maneuver. Transform the way you store!

Automatic Vertical Carousel Storage System

Experience the future of storage optimization with Rolex India Engineering's Vertical Carousel Storage System. This state-of-the-art solution maximizes your storage efficiency, using vertical space to exponentially increase capacity. Each unit rotates to bring requested items directly to you, minimizing manual retrieval effort and maximizing productivity. Built with robust, industry-grade materials, our systems offer unparalleled reliability and longevity. Embrace a smarter way to store with Rolex India Engineering's Vertical Carousel Storage System.

Heavy Duty Racks

Experience Rolex India Engineering's heavy-duty racks - ideal for manufacturing, warehousing & logistics. Durable, sturdy, and customizable, our racks handle heavy loads with ease. Tailored storage solutions await!
