## Rolex India Engineering: Staff Locker Product Catalog

### Unlock Efficiency and Security with Rolex India Engineering Staff Lockers

Maximize organization and enhance security in your workplace with our versatile and customizable staff lockers. Rolex India Engineering offers a wide range of locker solutions to meet diverse needs and preferences.

#### Standard Features:

- **Durable Construction:**
  - **Body:** 22 Swg CRCA steel for robust strength and secure storage.
  - **Doors:** 20 Swg CRCA steel for reliable protection and ease of use.
  - **Customizable:** Gauge of steel can be adjusted to meet specific weight capacity requirements.
- **Multiple Compartment Options:**
  - **Standard Configurations:** Choose from 4, 6, 8, 9, 10, 12, 15, 18, or 24 doors to accommodate varying storage needs.
  - **Customization:** We can design lockers with specific door configurations as needed.
- **Secure Locking Solutions:**
  - **Pad Lock (Staple Hoop):** Traditional solution for convenience and accessibility.
  - **Inbuilt Cam Lock:** Built-in lock for added security without requiring separate keys.
  - **Number Lock:** User-friendly combination lock for individual access control.
  - **RFID Lock:** Advanced access control system for enhanced security and convenience.
- **Durable Powder Coating:**
  - **50-60 Micron coating:** Protects against scratches, corrosion, and wear and tear.
  - **Wide color options:** Choose from a variety of colors to match your existing décor.
