Rolex India Engineering: Mobile Phone Locker Product Catalog

Secure and Organize Your Devices with Rolex India Engineering Mobile Phone Lockers

Protect your valuable smartphones and tablets with our secure and reliable mobile phone lockers. Rolex India Engineering offers a wide range of customizable locker solutions to meet the needs of offices, schools, businesses, and individuals.

Standard Features:

- **Durable Construction:**
 - Body: 22 Swg CRCA steel for robust strength and secure storage.
 - Doors: 20 Swg CRCA steel for reliable protection and ease of use.
 - Customizable: Gauge of steel can be adjusted to meet specific weight capacity requirements.
- **Multiple Compartment Options:**
 - Standard Configurations: Choose from 9, 24, 30, 42, 50, 60, 72, 96, or 104 compartments to accommodate various storage needs.
 - Customization: We can design lockers with specific door configurations as needed.
- **Secure Locking Solutions:**
 - Pad Lock (Staple Hoop): Traditional solution for convenience and accessibility.
 - Inbuilt Cam Lock: Built-in lock for added security
 - Number Lock: User-friendly combination lock for individual access control.
 - RFID Lock: Advanced access control system for enhanced security and convenience.
- **Durable Powder Coating:**
 - 50-60 Micron coating: Protects against scratches, corrosion, and wear and tear.
 - Wide color options: Choose from a variety of colors to match your existing décor.
